Student Satisfaction Survey Report 2018-2019

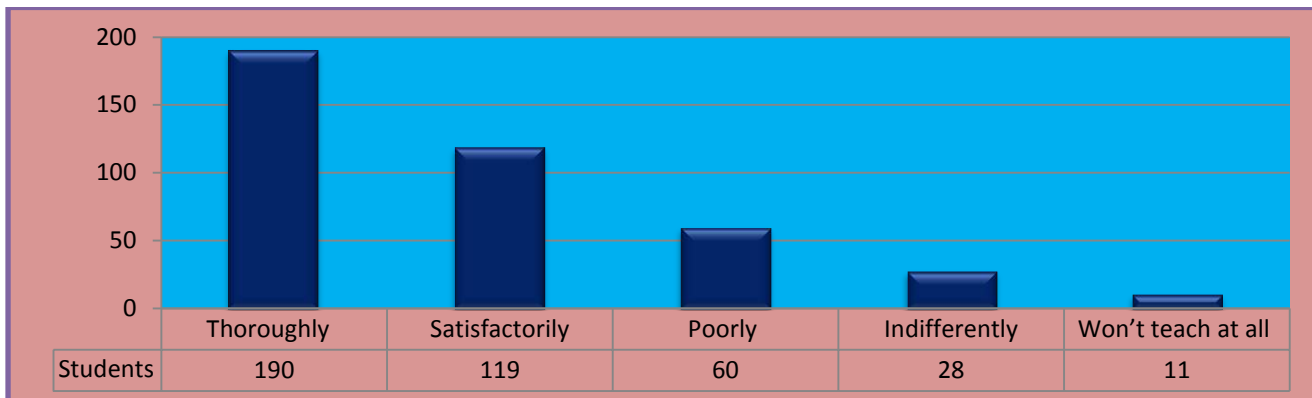

The students are an integral part of any academic institution. The prime measure of College development can be easily interpreted by the satiety of students. The students responses are collected and analysed based on 20 questions designed by the College IQAC. The results of the survey summarize the expectations of the students. This year also, the Student Satisfaction Survey was conducted by the IQAC and college Academic Committee on 28th February, 2019. Each question in the SSS format is aimed at collecting factual opinion of students on curriculum, completion of syllabus, preparedness of the teachers, reaction of the students regarding pedagogy, attitude of teachers, transparency and fairness in internal evaluations, placement possibilities, curricular and extra-curricular activities, overall impression and suggestions about the college. The respondents were assured that their identity would not be disclosed.

The responses collected from students were analysed by a team of teachers. The question-wise outcome of the results is presented below:

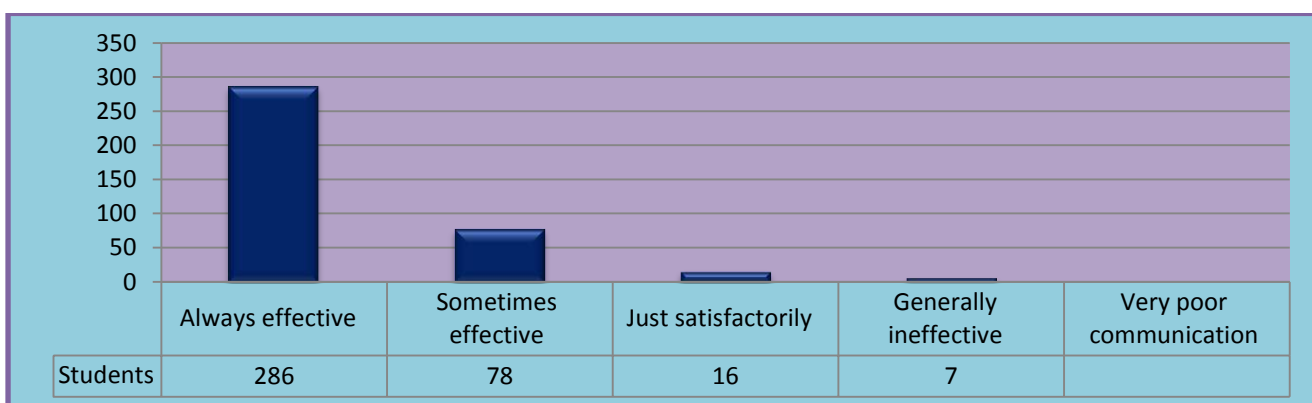

1. How much of the syllabus was covered in the class?

2. How well did the teachers prepare for the classes?

3. How well were the teachers able to communicate?

4. The teacher's approach to teaching can best be described as

5. Fairness of the internal evaluation process by the teachers.

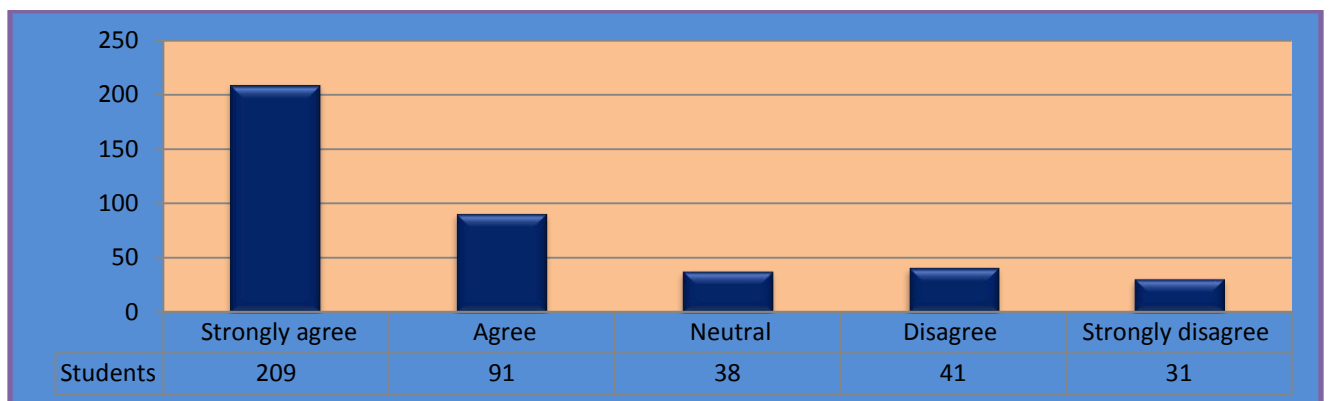

6. Was your performance in assignments discussed with you?

7. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.

8. The institution provides multiple opportunities to learn and grow.

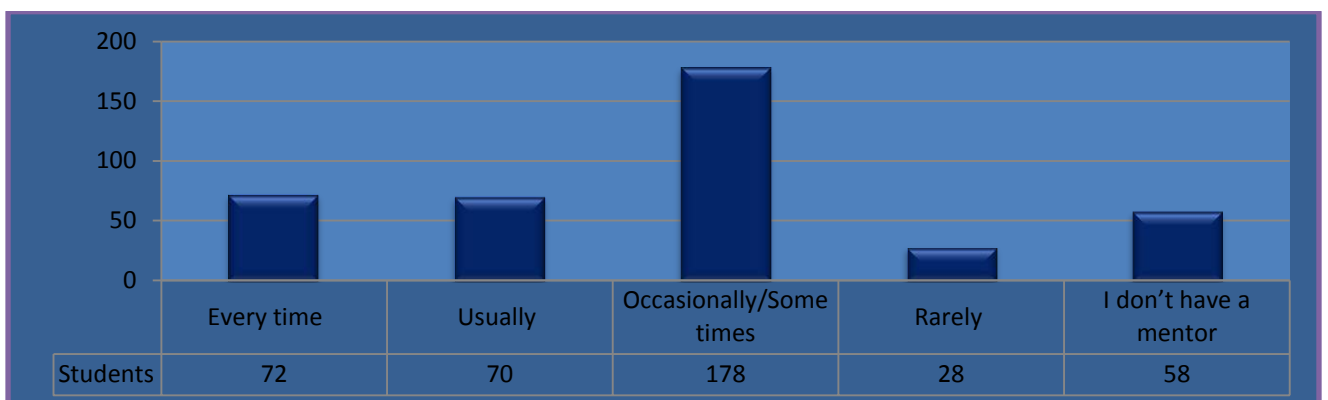

9. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.

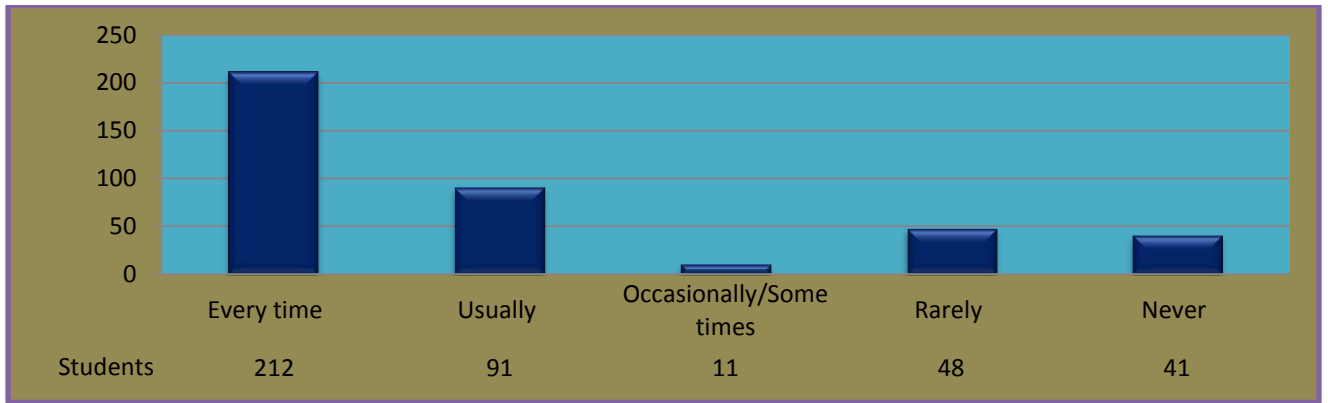

10. Teachers inform you about your expected competencies, course outcomes and programme outcomes.

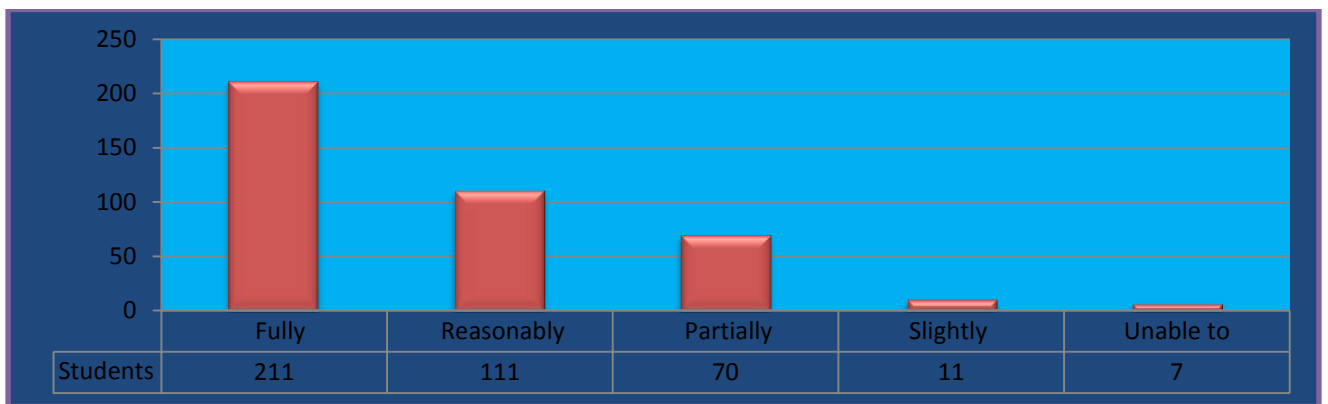

11. Your mentor does a necessary follow-up with an assigned task to you.

12. The teachers illustrate the concepts through examples and applications.

13. The teachers identify your strengths and encourage you with providing right level of challenges.

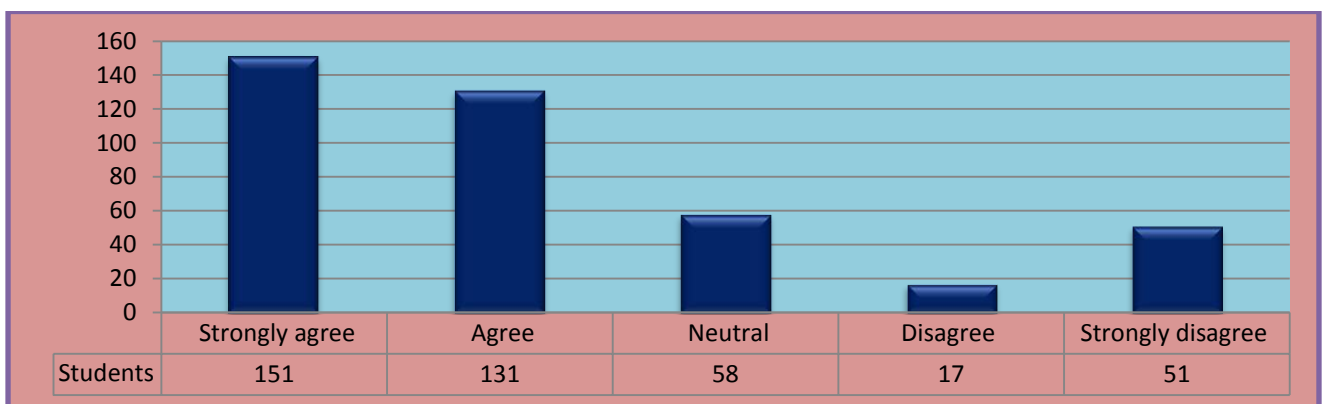

14. Teachers are able to identify your weaknesses and help you to overcome them.

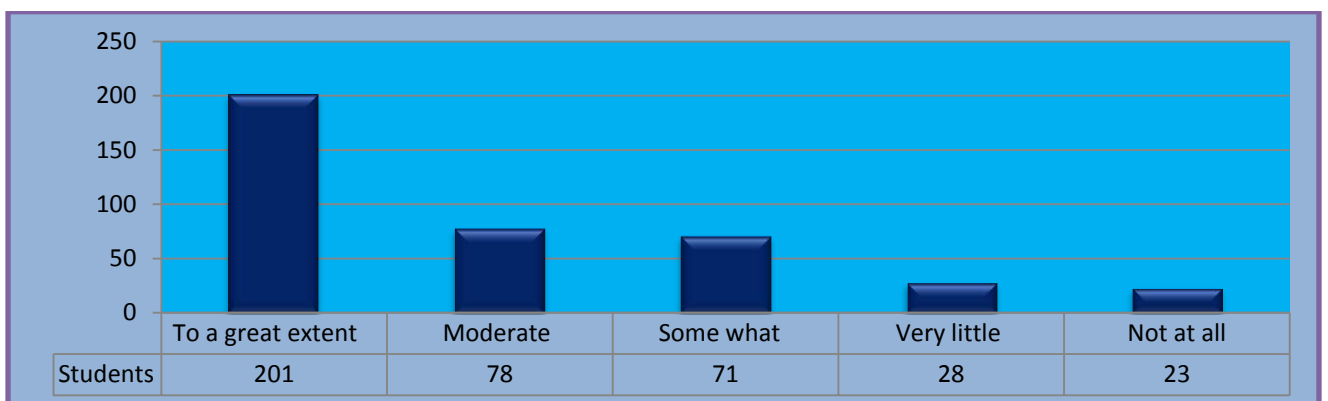

15. The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

16. Teachers encourage you to participate in extracurricular activities.

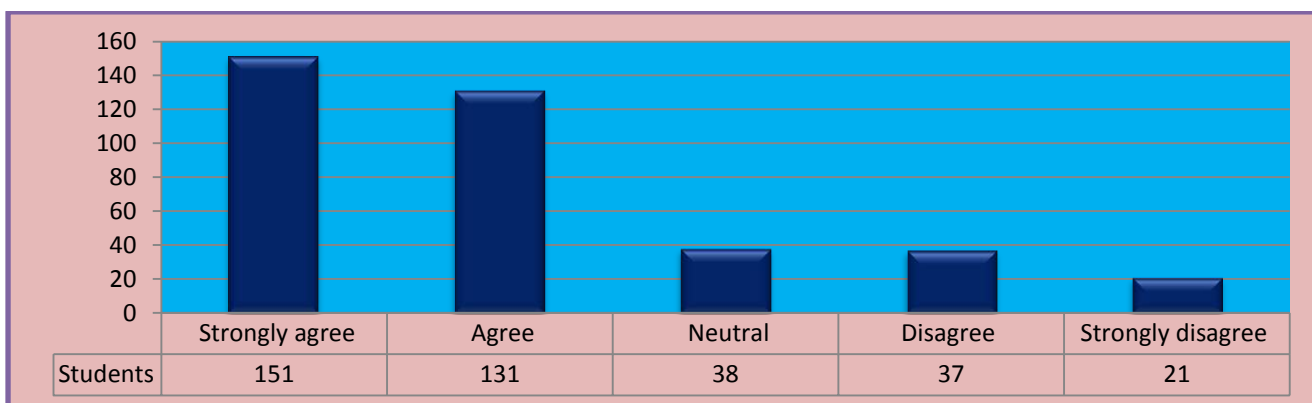

17. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

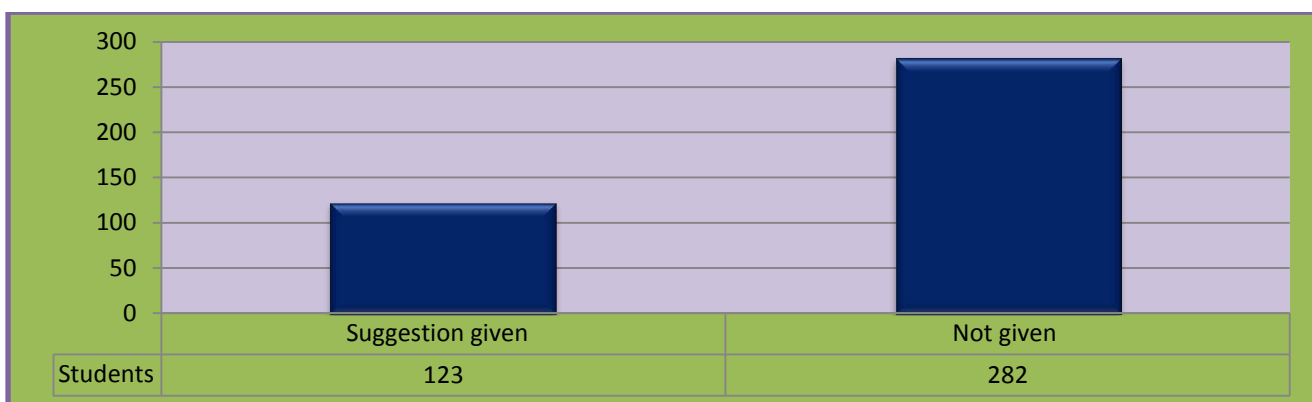

18. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

19. The overall quality of teaching-learning process in your institute is very good.

20. Give minimum three observation / suggestions to improve the overall teaching – learning experience in your institution. (you may write your observations in Bengali also)

The IQAC and College Authority give utmost importance to the findings of this survey because these way students come to believe that even they have a say in policy making.
